

Structure of the modern world true rulers is in 4 clusters by [Andrey Fursov](#):

1. Monarchic and aristocratic families

- a. Windsor, Orange-Nissau, Duke of Liechtenstein, Norwegian and Swedish dynasty
- b. Older dynasties of Merovingian dynasty, Gengis dynasty (tall white guys – not the one depicted currently as Mongols or Asians – Asians were bread just recently), Rurik dynasty are dead

Statue of **Batu Khan** (l. 1205-1255 CE), Pinarbasi, **Turkey**.

2. Vatican and Religious Orders (Black Vatican aristocrat), and Aristocracy of Northern Italy, South of Germany, Spain and Scotland
3. Anglo-American financial and industrial clans (Bush etc)
4. Three Diasporas:
  - a. Jewish (Chabad and B'nai Brith- Rothschild/Kissinger)
  - b. Armenian

c. Lebanese

All of them are present in supranational management structures (eg Bilderberg club) in somewhat proportional representations. Bilderberg club is a platform for these 4 clusters of elites to which we are useless eaters.

These are old clans and only blood relation is a membership. They won't let anyone non blood related. Money is not a criterion. It has to be blood!
